

EEE DAY

2024

Electrical & Electronic Engineering Department of Bangladesh University of Engineering and Technology (BUET) arranged the annual program “**EEE Day 2024**” on *15-16 February, 2024*. BUET is renowned for its academic results as well as these extracurricular activities. Keeping the tradition of our department, the current students of **Electrical & Electronic Engineering department** organized this program very successfully. In the continuation of such festivals successfully arranged by the previous batches of our department in previous years, this program *included Integration Bee, Robo-Wars, VLSI Design Competition, Tech Festival, Datathon, Hackathon, Scavenger Hunt, Job Fair, Sports Events, Game Fest, Acoustic Night, and Grand Cultural Night* as closing ceremony. Different renowned companies/organizations had sponsored this event.

Honorable **Vice Chancellor**, of Bangladesh University of Engineering and Technology (BUET), **Dr. Satya Prasad Majumder** inaugurated the grand rally of ‘EEE DAY 2024’. **Head of the Department** of Electrical & Electronic Engineering, **Dr. Md. Aynal Haque**, convener of the program, **Dr. Maruf Ahmed** and several teachers from EEE department were also present during the inauguration.

Honorable teachers handing over the prizes to different competition winners

Honorable teachers reminisced about their experiences in BUET and wished good luck to the students

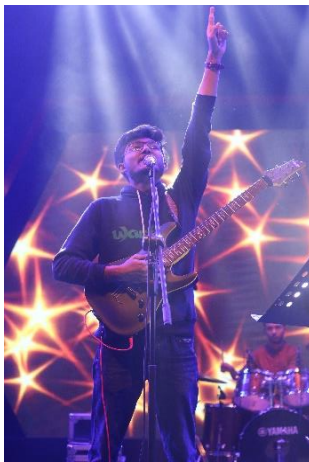

Alumni from abroad sent their best wishes for the EEE DAY 2024

Alumni from different batches were present during the Grand Night

The program ended with various cultural activities performed by the current students. They showed their talent in this segment.

The students from other batches bade farewell to the students of the final year after the program.
